

Volunteer Lawyers Program

Equal Justice Wyoming and the Wyoming State Bar recognize that attorneys throughout the state provide volunteer services on a routine basis. In an effort to support those of you already providing services and to encourage others to participate, the Wyoming State Bar is partnering with Equal Justice Wyoming to strive to facilitate the volunteer process by diversifying the ways in which you can become involved. Please consider volunteering for some of the options below. Equal Justice Wyoming and the Wyoming State Bar will maintain a list of attorneys who are willing to provide pro bono services. Attorneys will then be matched with appropriate cases and pro bono events.
